

Warwick Community Newsletter

This issue is dedicated to Beth Gilgun, longtime newsletter volunteer, ad manager, and most recently, editor and publisher. Her untimely passing leaves a huge hole in the life of the our community. She played many roles in town, and is greatly missed. We recognize the sorrow and grief many in our town and in her other circles of friends and colleagues are experiencing, and pray for your healing. Thank you, Beth.

VERY IMPORTANT – PLEASE NOTE THESE CHANGES: All articles, ads and correspondence should be emailed if possible to warwicknewsletter01378@gmail.com . If you cannot email, drop off clearly printed articles in the METCALF CHAPEL MAIL-BOX AT 32 ATHOL ROAD **by the 20th of the month before the article will run.** Please note that we do not accept FULL PAGE inserts at all for commercial ads, and are asking every organization in Town to keep their event flyers to 1/2 page or less. If a full page event flyer is desired, the organization may print the flyer themselves for insertion (call Andrea Woods 544-6844 for the number of copies required) if the information cannot be fit to 1/2 page and a waiver is desired. Business card size ads are \$7/month or \$70/year. All material may be edited for length, ink intensiveness, or content and may not be anonymous. Some logs and minutes provided may only be available on the Warwick Website at www.warwickma.org due to space limitations.

\$357.00

Please be patient if you donated and your name is not here. We are trying to gather up everything from the Town Hall and from Beth's house.

Please be sure to send all future Donations and Ad Payments to

WCN/Metcalf Chapel, 32 Athol Road, Warwick, MA 01378

Thank you for your patience. If an inordinate amount of time passes and your donation is not listed, the check may have been lost. Please email us at warwicknewsletter01378@gmail.com if that happens.

WHY DID I GET MY NEWSLETTER IN HARD COPY WHEN I HAVE ALWAYS RECEIVED IT VIA EMAIL? If you are receiving this issue in hard copy and you would like to have it sent electronically to save paper and costs, PLEASE let us know. We have been unable to recover a recent list of those receiving the Newsletter via the Warwick-L. Please help us out by emailing warwicknewsletter01378@gmail.com to let us know that you do not need a hardcopy mailed in the future. If you received this newsletter and no longer want it, please let us know that as well.

HELP WANTED: The Newsletter requires many hands to publish each month. With the passing of Beth Gilgun, we will need a new hand or two or three. The jobs that need filling are described below. If you would like to lend a hand and have time and skills to offer, please reach out to warwicknewsletter01378@gmail.com or call Andrea Woods at 544-6844. We can provide a **MORE** detailed job description. All positions are Volunteer/Unpaid.

EDITOR—maintain email mailing list, accept articles and produce the monthly newsletter. Need skills with Word and PDF editing or similar. Work with Treasurer on Donations listing.

ADVERTISING EDITOR - maintain list of advertisers, request payment, create new business card ads as needed and forward payments to Treasurer.

PUBLISHER - print the newsletter and make sure the Collators get it in a timely fashion. Print the mailing labels and keep the list up to date with assistance of editor.

We currently have an active Assistant/Substitute Editor, Treasurer, Proofreader, Volunteer Collating Coordinator, and Mailer. Thank you to them!

Beth Gilgun will be missed by the town of Warwick for many reasons. Mostly for her helpful attitude. She was always willing to help with questions regarding anything in the town hall or any question that you may only want someone else's opinion on. I worked mostly with Beth when submitting my articles for the newsletter and anytime I had a question regarding anything in the town hall, she was available. This past year I worked with her to present her 1750's clothing line which she made herself and was very knowledgeable about that time period. I did not know she was into the history of that time period until she discussed it at our Women's Guild meeting. She told us about the many historical reenactments of that time period she attended across the country.

She loved her job and her many adventures. My thoughts and prayers go out to all her family and many friends.

-Gloria Varno

Some tributes to Beth:

Beth was my neighbor and the town employee I worked most closely with on Library stuff. It took me awhile to warm up to her quirky personality, but eventually I did. She was my go-to person and was nearly always helpful. She struck me as a no non-sense person, but we had our share of off-the-cuff chats, and even laughs about matters both ordinary and strange. I still expect to see her at Town Hall.

-Ivan Ussach

The news of Beth Gilgun's passing filled me with a profound sense of loss. Beth supported the Warwick community tirelessly in so many ways: the newsletter, long-time assessor & assessor's clerk, treasurer, cultural council, town hall meals..... She knew what was happening, who was buying or selling property, who to talk to about anything - all done in a cheery way! I will miss her laughs and inside information at the library & town common gatherings, but I especially will miss her when it comes time again to have the Annual Arts Council Show and January town hall soup event. She was our mother hen: hanging quilts & fabrics expertly, running to her house or office for supplies, bringing tablecloths, wine glasses, silverware & china plates for our receptions (and bringingt them home to wash herself), opening the town hall early the next morning. But the best was the fabulous KAH LUA MOUSSE that she brought at least twice a year! She spent many hours significantly altering my daughter's wedding dress that was my late wife's, meeting with my daughter 2-3 times and then refusing any compensation for her effort. Beth was a treasure for this town!

This is one of the places I discovered on my Country Roads Christmas Tour. I knew about it as the owner is the daughter of my old bowling captain. Decided to stop in for lunch on the Christmas Tour. The whole place has been remodeled since Country Mischief owned it. Spaces are bigger and rooms wide open. The porch was in the process of being 'winterized' so that can be used also. They serve breakfast and lunch all day. I chose lunch when I was there and selected a burger. Burgers are served on Brioche bun, Little Leaf lettuce, sliced tomato, red onion with choice of chips, green salad, fresh fruit or House cut fries +\$1. Their menu consists of a page of breakfast items and their lunch menu consists of soups & salads, sandwiches, burgers and yummy looking desserts. Breakfast items are price ranged \$8 to \$12 and lunch items from \$12 to \$16.

My burger was excellent and the fries very tasty but could have been a little thicker for my palate. I must say, I had no room for dessert after eating the burger and fries. Next time, it's salad so I can try a dessert.

It's a short ride to Templeton Center from Warwick but may be really busy on the weekend. Call ahead and you might be able to put your name on a list. We had quite a wait when we 'dropped in', so since it was cool but sunny, in November, we sat on the lawn in chairs for the wait. They also have entertainment during the summer months, with picnic tables in the yard. I highly recommend giving it a try. I think you will enjoy it. Bon Appetit.

CEMETERY COMMISSION NEWS

We have been looking into our price structure for sale of lots and burial fees to bring them more up to date. After doing research into what other area towns charge, we find our fees are much lower than average in this area and are far lower than what larger towns charge. Our burial fees are basically level funded, what we receive is what is paid out for digging, with no revenue to add to cemetery funds.

The sale of lots is divided into a sale of lots account that leaves money available for cemetery use and a perpetual care fund where only the interest is available for use. Our current prices have served us for basic needs until now however as our cemetery is filling up we are looking to expand into section 8 (the field in the south west corner) and the need to put an access road through that area. We are also having some much needed tree work done through out the cemetery. Beginning in January 2022 the fee for each single grave will be \$425 to be divided with \$325 into sale of cemetery lots and \$100 into perpetual care. Burial fees will be \$450 for a full burial with marking and digging remaining the same and \$150 to go into sale of cemetery lots. Burial fees for cremations will be \$200 with marking and digging remaining the same and \$100 to go into sale of cemetery lots.

And thank you to those who helped with fall cleanup. I would like to take a moment to recognize Beth Gilgun and all the help she gave me navigating town finances when I came to the commission. Beth always answered my questions and a few times walked over and knocked on my door to have me correct something. She also took cemetery commission calls that came to the town hall and got the message to me and was always there to help families after funeral gatherings. Thank you, Beth. Warwick School Renewal News – February 2022

Tom Wyatt, Warwick Education Committee

Good news: An **after-school program** will begin in Warwick on March 2nd! The Warwick Cultural Council (a local chapter of the MA Cultural Council) awarded a grant that will fund an after-school program for Warwick children beginning on Wednesday, March 2nd continuing each Wednesday until the end of the school year. The program will begin again when school starts in September and continue through December 2022.

The grant was written by Ed. Committee member Janice Starmer and awarded to the Warwick Arts Council, which will also be donating funds for materials. The afternoon program will include one hour of art, plus time for exercise, play, socializing, and time in the library to read, do homework. Details are being worked out now. Janice (an accomplished artist) will coordinate the program and teach the classes. She is looking for other artists to join in plus people who would like to help. The bus will drop off enrolled children at Warwick Community School (**WCS**) for supervised activities until 5-5:30 p.m. (parent pick-up).

For more info plus signup forms, contact: Janice via email at hoothill@valinet.com. The signup forms will also be at the library. The program is open to all Warwick children in K- 6 grades from any school program. If space is available, Orange students can participate.

More good news: the Summer Program at **WCS** returns!

The Warwick Arts Council received another grant from the Warwick Cultural Council (also written by Janice Starmer) to fund a **3-week summer 2022 session**. Selectboard member Brian Snell and Janice will coordinate with Antioch University joining the program team again. Details coming.

A second day of after-school programming will be starting up soon, likely on Fridays. This will focus on outdoor/nature activities. Email Janice if interested. More details soon.

Volunteers –parents, grandparents, or community members - are needed for the after-school and summer programs to help with library staffing, answering phones and being another set of hands. Please contact Janice or Adam Holloway (contact info below).

Warwick school planners have re-energized to find a way for our youngest children to have elementary public education in Warwick starting in the fall of 2022. Warwick has one more full school year as part of the Pioneer district. Our 2022 goals include providing not only after school & summer programs, but also early childhood at WCS and at least kindergarten. The four committees involved are coordinating with the Pioneer district and continuing to address the many transition steps needed for complete K-6 public education to start in Warwick beginning with the 2023-24 school year. To help us plan, **please help us identify children 4 - 6 years old** entering school for the first time in kindergarten or 1st grade, especially families new to town. Contact info is below.

THANK YOU to all who wrote DESE letters and signed the petition – it helped! Officials from DESE were very aware of communications supporting Warwick's efforts.

The **Pavilion/Amphitheater and Outdoor Classroom** at WCS will be built in 2022. This project wouldn't be possible without our many supporters. **Thank you!** There is much needed equipment to buy but **donations** are still welcome: make checks payable to: *Town of Warwick – Pavilion* and mail to: Town of Warwick, Pavilion Project 41 Winchester Rd, Warwick, MA 01378.

The Massachusetts Board of Library Commissioners (MBLC) is working with Boston Public Library (BPL) to expand statewide eContent. In its role as Library for the Commonwealth, BPL resources are available to all Massachusetts residents. Users from outside Suffolk county make up 66% of eContent checkouts and more than 149,000 residents outside of Boston have a BPL eCard. Since January 2019, eContent checkouts have increased 25%. The MBLC is supporting BPL's efforts to meet increased statewide demand with \$117,000 in federal CARES Act funds.

Trivia you can't live without: World's largest Snickers bar - In 2020, the Mars Co. made the largest Snickers bar ever, weighing in at over ... 2 tons! Yet it only *briefly* held the Guinness World Record for the largest chocolate nut bar – until a giant Reese's Take 5 beat it two weeks later. (BackThen History 10-24-21)

AGE FRIENDLY SURVEY: People aged 50 years and older, and/or their caregivers are asked to complete this survey. Survey responses will guide local actions to make the region a more supportive place for everyone as we age, and takes only 10 to 15 minutes to complete.

We in town government made a clerical error last year when calculating the taxes. I did not notice it and the state did not either. My friend and former treasurer said online something to the effect that it would be nice if the error were in the taxpayer's favor for once. Well, it was, and we did not even notice until a year later. That omission undercharged the taxpayers last year by about \$2 per thousand. It felt good. It was \$160,000 of revenue we did not bill or collect. And even so we ended the year with a small surplus. That was the pandemic effect. Underspending budgets. Tax rate setting has been done correctly this year. It was an increase over last year. To further confuse things this is a revaluation year. Revaluation is coming. But in the meantime, knowing the upward price trend we applied a desk job 10 percent across the board valuation increase. That was to keep us closer to 100% full fair value. Assessing provides the basis to distribute the tax burden.

March 28 at 7 pm at the school the Selectboard have scheduled a special town meeting to appropriate funds to pay Warwick's share of Pioneer's School System debt which was assumed to cover the district's FY18 deficit. The amount of our share is about \$35k and we must pay it this year or get more delay in departing the regional district. The other matter is to approve acquisition of donated forest land. This is part of the Landscape Partnership award we sought with Mt Grace Land Trust and Mass Audubon. While TM voted to allow the Selectboard to apply for and expend grants, there is special protection in the law to prevent unwanted conveyances of real property, so we need a Town Meeting vote just as we sought when we acquired the Vic Shaw property.

So much loss of Warwick friends and loved ones has happened in the past weeks with Oliver Fellows, Carol Kahler, Miryam Williamson, Gunnar Lambert, Martha Kitchen, and Beth Gilgun passing. It was Beth who so often lately organized and staffed the kitchen for many memorial receptions. And she took on all manner of business that came to the town hall. There was no January newsletter because of her death. We were not ready. She was Assessor, Assessor's Clerk, Treasurer, and more. Friends will gather sometime in the Spring to remember her.

Here is one for the win column; we finally got good mobile cellular. If you want service get yourself over to AT&T or an MVNO (mobile virtual network operator) who operate on AT&T facilities. This could be AT&T or AT&T pre-paid and include mobile virtual operators like TracFone, and Consumer Cellular. Terry K got a lot of folks on pre-paid phones on Verizon because it used to be the best of the worst for getting service in town. Now the game is AT&T. It may be necessary to change phone sim to an AT&T network if you are on TracFone or the Walmart offering. Your old phone might work on AT&T because this is newer GSM and LTE (4G service). My Original Verizon Google Pixel phone works on AT&T. A phone that is older and only 3G will not work. And only an AT&T phone will manage Wi-Fi calling on this network. It is something about the phone's ROM. Wi-Fi calling will not be an issue if you are under a good mobile signal.

The town had to report results of environmental testing we did in newly drilled test wells at the foreclosed-on McKnight property. We did not encounter the petrol related results that we feared based on the land's history. We did get reportable PFAS, a drinking water toxin. This may be from dumped roofing materials. We are working with EPA, the state DEP, and are being assisted by FRCOG with Brownfield funding. I have contacted all property owners within 500' and requested they get tested.

TRINITARIAN CONGREGATIONAL CHURCH **of WARWICK**

FEBRUARY 2022

Dear Friends,

Way back in the mid to late '70's, Rev David Ray, then pastor of the Trinitarian Congregational Church, started a modest community newsletter as a mission of the church to the community. It was typed and run off on a mimeograph machine at the church by volunteers. Under the initial guidance of Judy Styles and Diana Tandy, that modest newsletter has become a valuable tool to keep the larger community informed about local events, the workings of Town government and local interests. Diana kept the newsletter going and growing until medical issues forced her to curtail much of her activity for a time.

Andrea Woods stepped up to help and in her first issue in 2004 she wrote, "thank you to Diana Tandy, Linda Gale and Betsy Lincoln for 25 yrs of editing". She reached out to others to help as the job became more time and energy demanding. Janet Alden took on the keeping of the books, Nancy Hickler took on the monthly printing at the Library and she and then Beth Anderson helped with proof reading. The Warwick Women's Guild continued to collate, label and mail the then hardcopy only Newsletter.

Beth Gilgun became involved sometime later when the Newsletter began selling ads for local businesses. That was more than any of those volunteering at the time wanted to take on and she did a great job. In 2018, Beth took on the full editorial and publishing responsibilities. She did that right up until she died suddenly Dec 19, 2021.

We owe all these women a huge **THANK YOU** for their dedication and commitment to this community and the monthly Newsletter that keeps us connected and informed about our community. There now are other ways of communicating that didn't exist for most of the Newsletter's life, but the Newsletter still remains a valuable source of Town news and information. Andrea and Beth Anderson are working hard to pull all the pieces together so this Newsletter can return after a month's disruption. It has been time consuming and at times frustrating because the thumb drive Beth worked from could not be found. The mailing list may be incomplete for this month, but if you know anyone who is not getting their usual format, please let us know. You can leave a message at the Chapel, with Andrea or with Nancy Kilhart.

At this time, I want to raise up Diana Tandy and Beth Gilgun in particular because they seem cut from the same cloth. They were involved in so many groups and organizations it's mind-boggling. Diana was active (and I mean ACTIVE) in the church, the Orange Community Band, Women's Guild, and other places I can't recall right now. She was a caring and nurturing person whose heart went out to those who struggled in life. She connected with people deeply; she consoled, counseled, cooked for them with love and compassion. And she put that same energy, love and commitment into all she did with the organizations she was a part of.

Beth was the same in many ways. She was one of the first contacts people new to Town had at the Town Hall. She was welcoming, helpful and pleasant; a fount of information and encouragement as Assessors clerk, Treasurer and probably other specified and unspecified jobs. She was always offering to help the church put on community suppers, organize and prepare food for weddings, funerals and other events special in people's lives. She cared. She was an accomplished seamstress and historian. She was deeply involved at Old Deerfield and the Petersham Rod & Gun Club, and yet there was always time to help those who needed help. Diana and Beth were the sort of people who make a town like Warwick a special place. And there are more like them out there in this special community we inhabit.

Now, we are looking for people who would like to keep the Newsletter alive. Andrea and Beth Anderson have developed some job descriptions and are willing to help get things rolling again, but not indefinitely. Much of the structure is still there and working. If you think you would like to help, let us know (and you DON'T have to be a woman to do this).

In faith, hope & love, *Dan*

UP COMING EVENTS

On **Sunday, Feb 6**, the SOUPER BOWL collection will help fund the **Western MA Food Bank** and the **Orange Food Pantry**. A check should be made out to TCCW with a memo line "Souper Bowl". Thanks for your support.

AFGHAN REFUGEES – We are in contact with an organization in Brattleboro to help support recent Afghan refugees who are being settled in the southern Vermont area. We have been assisting with transporting them from the Manchester, NH airport to Brattleboro (thanks so much Tom Z) and have gotten some donations of money to the organization and furniture to the storage area in Brattleboro. There is more to do to help these people who risked their lives and families to help US soldiers in Afghanistan. It seems like the least we could be doing for them. If you would like to help, contact the church (metcalfucc@gmail – or 978-544-2630)

ON-GOING ACTIVITIES AT THE METCALF CHAPEL

FREE FOOD AT THE CHAPEL starts at 11 AM Fridays.

The food that comes on Friday, thanks to Cliff Fournier and others, usually includes frozen meats as well as bakery goods and produce. Zac Marti is still bringing fresh vegetables, mainly root crops at this point, so come check it out.

FOOD PANTRY DONATIONS

*Nonperishable food, personal hygiene items and household cleaning supplies are collected in the front hall of the Chapel. **Disposable diapers, personal & household cleaning items are especially needed as they cannot be purchased with "food stamps".***

MEDICAL SUPPLY LIBRARY

We have crutches, wheelchairs, walkers and many other medical supplies for free loan at the Chapel. Check us out before buying new.

SHEETS, PILLOW CASES AND OTHER LINENS *There is a box in the front hall of the Chapel for these items for the **Franklin Emergency Shelter** in Greenfield. Warm, outdoor clothing is also appreciated.*
